

## NEIGHBORHOOD POPUP

**10" Wood Fired Pizza – Regular, whole wheat and gluten free crust available**

### How it works:

One week prior to us coming to your neighborhood, we'll provide a link for you to place your order, make payment, and select your pickup timeslot. To help with social distancing, we'll be spacing pickups every 15 minutes and will have your food bagged and ready when you arrive. We ask that you place all orders as soon as you like to help us better prep, and we will only accept orders until 10:00am the day of your delivery. Check out our awesome menu items below!
